Application form for Robotics Middleware for Healthcare (RoMi-H) Empanelment Program 2025

Company Writeup I

Briefly describe the company's **experience in robotics and robotics-related deployments**. (Not confined to the healthcare industry or RoMi-H related deployments. ROS knowledge would be a plus)

(Please keep within the 1-page limit)

Company Writeup II

Briefly describe the company's **experience in developing, utilizing, and/or deploying RoMi-H, OpenRMF**, or any similar robotics middleware.

(Please keep within the 1-page limit)

Company Writeup III

Briefly describe the company's **experience in deploying robotics, infrastructure, or IoT systems as part of a larger system framework** in operation. (please highlight any hospital-related deployments, if any)

(Please keep within the 1-page limit)

I declare that the information provided is genuine. The company is aware and agreeable to the fees payable for the program if selected for the empanelment.
